Mataro

Contra Costa

Mataro commonly referred to as Mourvèdre, is one of our most esoteric varietals. It displays beautiful aromatics of black cherry, cola berry, chocolate, smoke, vanilla, caramel, and cinnamon. The mouth is full of juicy red fruit and its fleshy core carries though the long velvet finish.

The Vineyard

Dry farmed and meticulously grown by our favorite Oakley growers the Gonsalves family.

The Vintage

2010 was a long mild growing season. The length of the season helped mature the tanning structure as well as the fruit characteristics if this wine.
